FOR QUALIFIED INVESTORS ONLY | FACTSHEET DECEMBER 2022

## The Company

QCAM Currency Asset Management AG is an independent Swiss financial services provider that focuses primarily on currency and short term investment management. The investments offer an attractive risk/return ratio with low correlation and high liquidity. QCAM's services are precisely tailored to the aims and needs of an institutional clientele. The team of QCAM combines in-depth specialist knowledge, many years of experience in consultancy, client care and asset management, and an excellent international network of contacts. QCAM Currency Asset Management AG is regulated by the Swiss Financial Market Supervisory Authority FINMA and the U.S. Securities and Exchange Commission SEC.

## The Strategy

QCAM Currency Asset Management AG's USD Money Market Plus Strategy is aimed at preserving capital and enhancing short term USD returns. QCAM's portfolio management team is taking advantage of inefficiencies in the currency, forwards and money markets. It is constantly evaluating the markets to spot situations that benefit the portfolio. QCAM applies an efficient multi-bank trading environment which contributes substantially to the attractive performance track record. The strategy has a live track record since 01/2012 with an average asset base of ~2 bn USD. The ideal investment horizon is at least three months.
